

**L'habit en roses, natural dyeing**  
Scarves, shawls, fabrics, yarns, textile creations

Natural fibers dyed from plants

...from barks, roots, berries, leaves, flowers  
on cotton, linen, wool and silk, colors blossom...

*Since 2015, I produce and use French local dyeing plants to express harmony of natural colors on meaningful textiles issued of ethic and political movements.*

*I choose to act as a part of a united humanity which is mindful and respectful of Peoples and the Earth*
